LUGGAGE TRANSFERS

- ▶ If you cannot fit all you want into a 15kg bag - you can book extra bags to be transferred each day. Please contact us to book
- ▶ If you have luggage that you do not require while on the cycle trail - you can have extra bags transferred from one end of the trail to the other and stored until you arrive. Please contact us to book.

WHY DO WE HAVE A 15KG WEIGHT LIMIT?

At Cycle Cycle Trails Co. we value and appreciate our staff. While doing the luggage transfers our staff have to often carry bags up long driveways and lift bags high into shuttles. For the health and safety of our drivers we have implemented a 15kg maximum bag weight limit.
